

# Faith: Recognizing Christ

**What is faith? Is it just wishful thinking, or is it something we can verify in our own lives?**

Come join us as we explore this topic during the  
**Opening Day of Communion and Liberation,**  
an ecclesial lay movement in the Catholic Church.

*Communion and Liberation is grounded in the conviction that the Christian event, lived in communion, is the foundation of the authentic liberation of the human person. Recognized by the Vatican as an Association of Pontifical Right, CL is present in about 70 countries throughout the world.*

**SATURDAY, OCTOBER 25<sup>TH</sup>, 2008 3:30 PM**

**Witnesses, talks, and music followed by the 5:30pm Parish mass, dinner and a presentation on Blues Music.**

**ST. GILES PARISH, McDONOUGH HALL  
1045 N. Columbian Ave., Oak Park, IL**
