

The Way of the Cross

Along the National Mall, Washington, D.C.

"Only mercy challenges our hard-headedness like no other reprimand. Jesus said that he who is forgiven much, loves much. Man is sensitive to no other gesture as he is to mercy. After all, it was the method Jesus used, as St. Paul recalls, "When we were still sinners, Christ died for us."

-Julian Carron

**Organized by
Communion and
Liberation**
